Mission of the BSG Group of Companies

“We strive to provide the best quality in the transport and logistics services market, while making them as simple and accessible as possible for our customers and taking on difficult tasks”

Sergey Vladimirovich Bakshin

General Director

Ideology of the BSG Group of Companies

Highly professional approach to providing services in the field of logistics

Activities of the group of companies are always legal and do not contradict the legislation of the Russian Federation

When working with our customer's cargo, we are always guided by honesty, common sense and desire to save the customer's money

We do not have more or less important customers. Every customer, regardless of their size, is important to us

Personal growth of each employee of the company is crucial and valuable, since the development, scale and efficiency of the company depend on it

Every employee is valuable to the group of companies

The group of companies is ready to invest in each employee and provide training to everyone who shows interest in it

Our professionalism allows and obliges us to optimize the customer's costs as much as possible without reducing the quality of service for the customer

Moral values and principles of each employee must allow our customers to clearly understand and realize that their cargo is in good hands

The group of companies welcomes only responsible and proactive employees. If you are not like that, you do not belong with us

Logistics Services

We consolidate goods in the warehouses of our agents and send them as part of consolidated cargo

We carry out repacking of any complexity, including oversize cargoes

We organize delivery on EXW and FCA terms from the most remote parts of the world

We offer non-standard logistic routes, which helps to bypass various restrictions

We have various financial instruments that allow us to pay for our customers' goods.

We cooperate with free zones in different countries

“We strive to provide the best quality in the transport and logistics services market, while making them as simple and accessible as possible for our customers and taking on difficult tasks”

Customs Services

Our company is a customs broker, we have a customs representative license No. 1596

We prepare bills of entry and other documents for customs clearance

We manage this procedure and work closely with customs representatives

We provide the fastest customs clearance without queues

We carry out declaration of goods in all regimes:

EXPORT AND IMPORT

RE-EXPORT AND RE-IMPORT

TRANSIT AND OTHERS

If this is required by the specifics of the cargo:

We issue certificates, declarations of conformity, and other permits for customs

We provide labeling according to all the requirements of the single customs union

We provide consultations on working in such systems as Honest Sign, Mercury, Argus and others

We carry out phytosanitary and veterinary inspections

Guarantees

We work out in detail packages of documents for customs clearance

We approach delivery and forwarding of perishable goods with the utmost responsibility

We optimize logistics — we select suitable types of transport, we plot the fastest routes

We use modern electronic document management systems

We provide online tracking of cargo transportation at all stages — from receiving goods to last-mile delivery

We plot routes taking into account international restrictions

We only use secure international payment systems

Our company has a forwarding liability insurance policy

“We rely on human capital — we have formed a team of qualified specialists with extensive work experience. Our employees are ambitious and their level of qualification is constantly improving — numerous trainings attended regularly by specialists of the BSG Group of Companies help to meet these needs.”

Sergey Vladimirovich Bakshin

General Director

Advantages of the BSG Group of Companies

We provide a full range of logistics services

We provide personalized service to each cargo transportation customer and offer the best delivery options

We work closely and effectively with customs, shipping lines, and ports

We stay in touch 24/7

We prevent queues and delays during customs clearance

We cooperate with strong partner companies and carriers all over the world

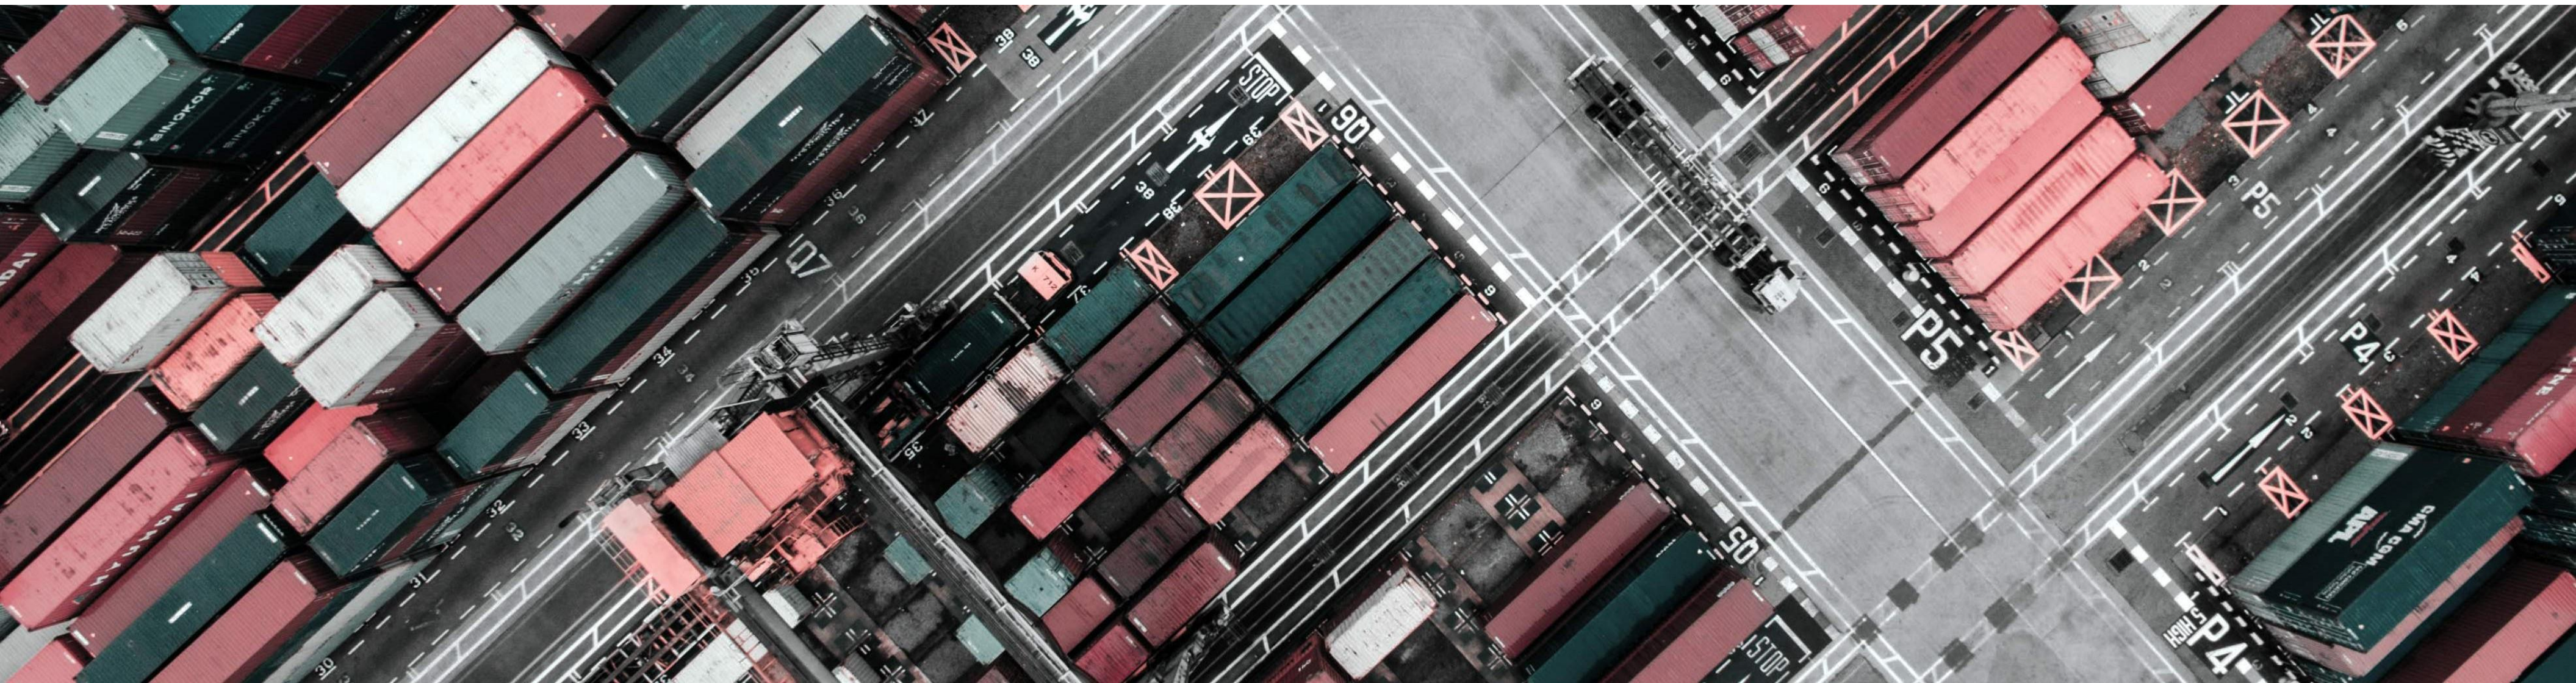

We provide access to modern warehouses suitable for storing all types of cargo

We have a variety of tools for international transactions

The BSG logo is displayed in white, bold, sans-serif capital letters. To the right of the letters is a stylized white graphic element consisting of two parallel diagonal lines forming a chevron shape, followed by a short horizontal line segment.

Armed with modern technologies

Modern digital technologies that we have implemented allow us to know where each cargo is at any time, and our managers always notify our customers in a timely manner

They trust us

Our partners include large transportation companies that have trusted the BSG Group of Companies
